SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref.DLI419

Timing: Singular

Title: Contribution to cost of Reflective Stickers for Agricultural vehicles

Category of Decision / Business Area Impact: Finance

Executive Summary:

Rural communities within Dyfed Powys have experienced high levels of agricultural vehicle and equipment theft over the last 2 years – costing over £250,000. Working with NFU, Dyfed Powys Police have designed a reflective sticker that can be placed on agricultural vehicles and equipment to prevent theft.

These stickers are designed to provide reassurance to rural communities that their vehicles will be detected if in use at unexpected times.

The stickers will also act as a deterrent for criminals by indicating that the vehicles are marked and will be monitored by authorities whilst in use on the road network.

The stickers are being offered free of charge to members of rural communities who can demonstrate that they own agricultural vehicles and/or equipment that may be at risk of theft.

The Commissioner has agreed to provide a contribution to Dyfed Powys police for the purchase cost of these stickers.

This activity supports the Police and Crime Plan priority of preventing harm.

Recommendation:

To provide funding of £2,000 from the Commissioner's Fund to support the purchase of the reflective stickers.

Police and Crime Commissioner for Dyfed-Powys
