SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref.DL355

Timing: Singular

Title: Aeron Arts Funding

Category of Decision / Business Area Impact: Finance

Executive Summary:

Aeron Arts based in Aberaeron, provides free creative arts and music activities for children and young people up to the age of 25. It was established in direct response to rising youth crime in the town, addressing the lack of local art and music provision, especially for vulnerable and/or disengaged young people including those from low-income families.

It aims to improve mental health and wellbeing, boost confidence, and reduce inequalities among young people. It provides creative activities to keep disengaged young people off the streets where anti-social behaviour is increasing and helps them to re-engage positively with the wider community.

Funding has been requested from the Commissioner to ensure the continuation of this service until the end of this financial year.

The service supports the ethos of the Police and Crime Plan priority of preventing harm and supporting communities.

Recommendation:

To provide funding of £2,660.00 from the Commissioner's Fund towards the delivery of the project.
