SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref.407

Timing: Singular

Title: DPP2445 Cleaning

Category of Decision / Business Area Impact: Finance

Executive Summary:

The existing cleaning contract expires in 2025, prompting the need for a formally competed procurement exercise to ensure continuity of service. The new contract will continue to use robust service level agreements (SLAs) and key performance indicators (KPIs). In addition, the new contract will consolidate several fragmented service elements, including routine office cleaning, forensic-sensitive areas such as custody suites, and specialist environments like Sexual Assault Referral Centres (SARCs), into a single, managed solution.

Recommendation:

The recommendation is to award a contract to a new supplier Solo Service Group for a period of 4 years with the option of up to 2 annual extension periods. This contract will align with the Real Living Wage principles in relation to labour costs. The total expenditure is £1,051,178.

Police and Crime Commissioner for Dyfed-Powys

I confirm I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the Nolan Principles for Conduct in Public Life.

The above recommendation has my approval.
