SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref.DLI340

Timing: Singular

Title: St John's Ambulance – Aberystwyth University Fresher's Week

Category of Decision / Business Area Impact: Finance

Executive Summary:

Every year, St John's Ambulance lead a multi-agency collaboration in supporting new and returning Students to Aberystwyth University.

During September, University Freshers Week heightens the night time economy of Aberystwyth which adds significant pressure on the Police, Ambulance Service, local hospital and other key services. The aim of this multi-agency collaboration is to bring key services together to ensure robust provision is in place to ensure Freshers Week is delivered with minimal impact to the local community – including across anti-social behaviour, drug and alcohol related incidents and increased pressure on local NHS services.

The Commissioner visited the control room of this event last year and was impressed with the activities undertaken to keep communities safe. A donation of £500.00 has been offered to support the activity in 2024 in line with the Police and Crime Plan priorities of preventing harm and the value: engaging widely.

Recommendation:

It is recommended that a contribution of £500.00 is given to support this event from the Sale of Found Property budget.
